Congratulations! You have just moved to Fraction Avenue, which is a street full of fractions. Use the following information to complete the map of your new street.

• \(\frac{1}{8}\) of the houses are for sale

• There are trees in the front yard of \(\frac{1}{2}\) of the houses

• \(\frac{2}{8}\) of the homes have dogs outside.

• You can see a person in \(\frac{1}{4}\) of the windows

• \(\frac{3}{8}\) of the homes have a red door

• There are cars parked outside of \(\frac{3}{4}\) of the houses

• \(\frac{1}{8}\) of the houses have a blue roof

**Bonus**

Write your own fraction problems on the back and add those details to your neighborhood too!
I hope that you find the Fractions Avenue useful. If you like this, you may want to check out the link to my entire fractions collection, where there are additional activities and worksheets to teach your students about fractions.

You may also want to visit my blog (ashleigh-educationjourney.com) to see more instructional ideas and pictures of many of my products. I also use the pages to share information about upcoming sales, new products, and of course freebies, so be sure to follow me!
