Math About Me

Create these adorable craftivities to hang up on Open House or as a Back to School activity.
Numbers, numbers all around,
Everywhere they can be found.

Numbers tell how old I am.
And how many people in my fam.

How much I weigh and just how tall,
where I live, and that's not all!

Numbers are a part of me.
money, time, and history.

When to wake up and when to eat.
What size shoes to buy for my feet.

How much money something costs.
A number to call if my dog gets lost.

I don't know where I would be.
If numbers weren't a part of me!
