

2022-23 Community Investment Impact Overview

For over 100 years your local United Way has been improving lives in Washtenaw County. In 2022-23, community volunteers invested over \$1.3 million dollars into 52 local organizations and groups to foster a more equitable Washtenaw County.

Quick Facts

- **\$1,378,715:** Total awarded locally in 2022-23
- **73:** Number of grants awarded
- **52:** Number of community partners
- **37%:** Percentage of community partners led by individuals who identify as black, indigenous, or people of color.
- **139,382: # of people impacted through United Way funding**

Investment Impact: Funded Partner Size

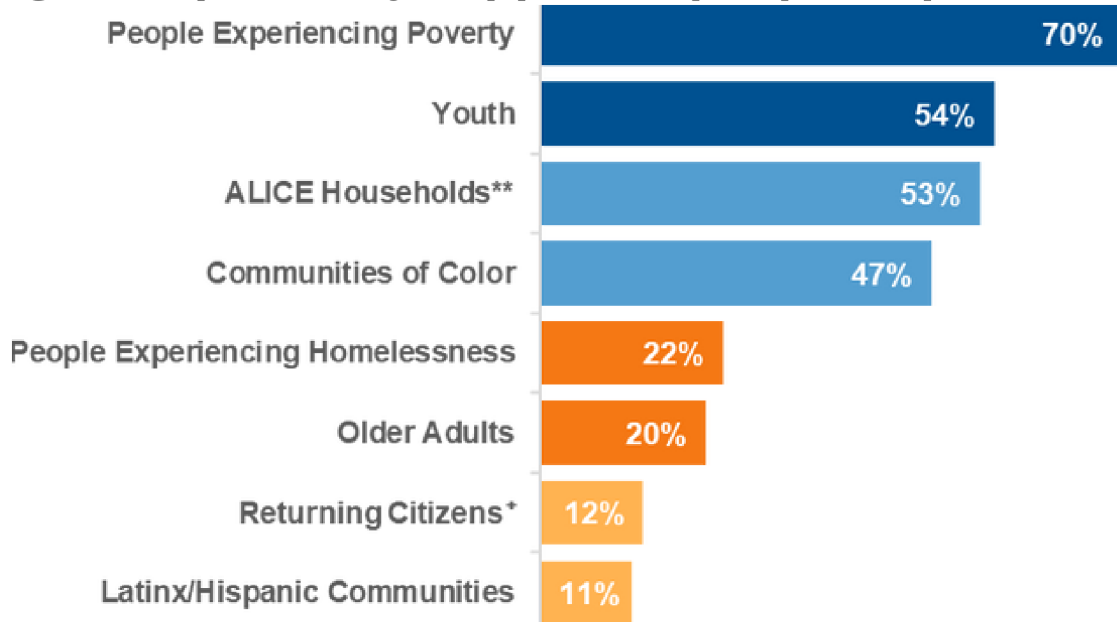

Grant funding was invested in a balanced variety of organization sizes.

Supporting groups of various sizes ensures we are investing in orgs across the spectrum of capacity and life stage. Smaller partners are able to build capacity & serve needs close to their communities. Larger partners can expand well-established programming or pilot new services.

Investment Impact: People & Place

70% of grants primarily supported people experiencing poverty

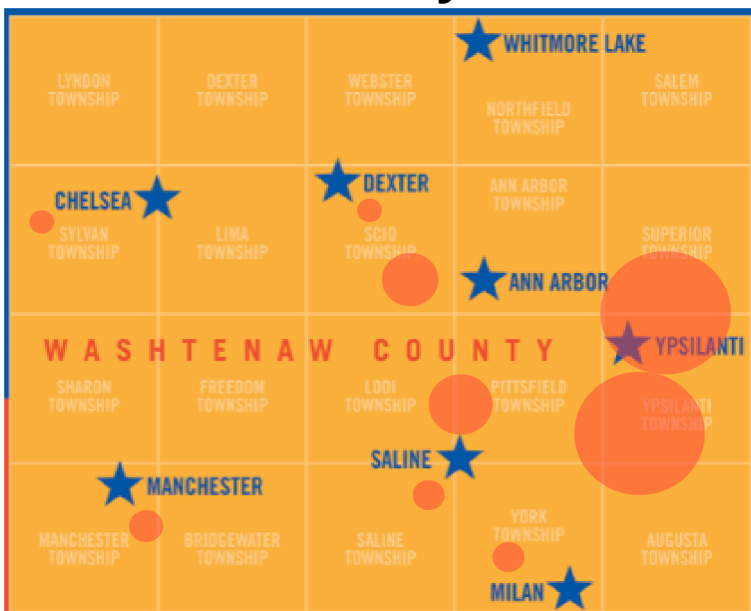

Note: Populations served may overlap (ex: Older Adults experiencing poverty).

**ALICE stands for Asset Limited, Income Constrained, Employed (www.uwgive.org/ALICE)

+People who were formerly incarcerated

Primary Service Geographies of Partners

70% of partners reported that Ypsilanti and Ypsilanti Township were the primary locations of their participants. Other primary areas of service included Ann Arbor, Dexter, Chelsea, Saline, Milan, and Manchester.

Note: This data represents primary geographies reported, not grant dollars invested or number of folks served. United Way funding flows to all areas of Washtenaw County.
