MAY 19 – JUNE 16, 2023

DIVERSITY · EQUITY · INCLUSION

Here at **ORGANIZATION NAME**, we are committed to understanding and undoing racism and discrimination in our community, and weaving equity and inclusion into our internal and external culture.

That’s why we are proud to partner with United Way for Southeastern Michigan for the 21-Day Equity Challenge, set for May 19 - June 16.

During the challenge, participants will receive an email prompt every weekday with articles, videos, charts and infographics exploring how inequity plays a role in our social and economic landscape here in Southeastern Michigan.

Participants are encouraged to take 15 minutes each day to pick one or two options to explore, think about the reflection questions and act on what they’ve learned.

United Way works to advance equitable communities where households are stable and children thrive. Understanding the history of inequity in our region is critical to accomplishing this mission. When we take it upon ourselves to learn, grow and educate others, we are doing our part to support families in our community.

We encourage all ORG NAME employees to personally sign up for this challenge on United Way’s website at [UnitedWaySEM.org/EquityChallenge](https://UnitedWaySEM.org/EquityChallenge).
