

Everyone can use a little help sometimes.

Thankfully, when there's nowhere else to turn, United Way for Southeastern Michigan's 2-1-1 helpline is there.

2-1-1 is available 24 hours a day, seven days a week, to provide helpful resources for those in need. In Southeastern Michigan, more than one in three households struggle to meet their basic needs. These households are one crisis away from serious hardship.

United Way's goal is to help more households become stable. 2-1-1 helps callers along that path, connecting them with helpful resources like food, shelter, health care and financial assistance. They even help callers find free tax prep services, ensuring that they receive the biggest refund possible.

United Way needs your help to spread the word! Visit UnitedWaySEM.org/Support211 to learn more about 2-1-1 and find resources that will help you easily inform your friends, family and neighbors about this vital service.

Thank you for Living United.
