

# RUN UNITED 2025

PRESENTED BY  STELLANTIS

August 11 - September 14

## WHAT IS RUN UNITED?

Since 2016, Run United has raised over \$1 million for local students and families. Participants in the Run United Virtual Marathon can log at least 26.2 miles and use peer-to-peer fundraising tools to support youth opportunity programs.

## WHY RUN UNITED?

The 2025 Run United Virtual Marathon aims to support STEAM (Science, Technology, Engineering, Arts, and Math) teachers and learners by addressing the lack of resources in classrooms. Funds raised will provide STEAM Classroom Materials Grants, allowing teachers to purchase tailored supplies that fit their lesson plans, enhancing educational impact. More fundraising means more classrooms can benefit from these resources.

### Additional benefits for participation include:

- Motivation for staying active
- Engaging with colleagues, friends and family (and some friendly competition)
- Learning about resources for students and families in Southeastern Michigan
- Prizes for participation

## HOW TO GET INVOLVED:

- **Register** for the virtual marathon, open to all ages and abilities worldwide.
- **Log** 26.2 miles (or more) running, walking, or rolling from August 11 to September 14.
- **Share** progress and encourage donations; tips and templates will be provided.
- **Earn** points and win prizes by fundraising, logging miles, recruiting participants, and completing weekly challenges.
- **Join** the virtual celebration on September 15.

## REGISTRATION \$30

Includes special edition Run United tech shirt and swag.
