

Calling All Parents! Join us for Academic Support

DPSCD is hosting sessions to help make virtual or face to face school experiences better for you and your children. It is our goal to share best practices and supports that will ease families into a resource driven approach to helping their children enjoy academic success. We invite parents to get involved in these useful sessions that will make the work of educating DPSCD students better for everyone.

#StrongerTogether #RiseUp #WhenStudentsRise #WeAllRise #DPSCDStrong

Below are the session titles, dates, times and links to join. Please share this document and/or links to the sessions with students, parents, churches, community organizations and other social organizations you know.
