MAPPING PROCESS

- Commission split Michigan into 10 regions.
- Utilize the 10 regions to create 161 Michigan Congressional, House, and Senate districts that consider public comments.
 - We may cross over the regions to ensure compliance with the redistricting criteria.
- Publish dates when regions are being considered to maximize public engagement.

10

2nd ROUND OF PUBLIC HEARINGS

1

Solicit public comments regarding the proposed 161 districts.

2

Each proposed district plan shall include Census data, map, and legal description.

3

Constitution requires five public hearings, but the Commission elected to do eight in the Fall.

ADOPTING MAPS

- Ensure the maps are tested and published.
- Provide at least 45 days for public comment.
- Require a majority vote that includes two members each who affiliate with the Democrats, Republicans, and neither the Democrats or Republicans for each map.
- Publish the adopted maps and the supporting material and data within 30 days.
- The maps become law 60 days after publication.

14

MICHIGAN SUPREME COURT

- Has original jurisdiction.
- Review, at its discretion, challenges to any maps adopted by the Commission.
- Remand any plan that fails to comply with the Michigan and U.S. Constitutions, or superseding federal law, i.e., the Voting Rights Act.
- The MICRC is the only body that can create and adopt the maps for Michigan's Congressional, House, and Senate districts.
