The OneCause platform allows Run United participants to raise donations and recruit others by sharing their progress on social media.

Select the **Manage My Page** option on the dropdown menu when clicking your name.

Note the three options on the left: Complete Activities, Invite Friends, Raise.

On the Invite Friends tab, you’ll have the option to recruit friends through social media.

On the Raise tab, you’ll have the option to ask for donations through social media.

OneCause is also accessible as a mobile platform through your phone’s web browser.

Complete your profile by writing your “why” setting a goal.

Click on the **Donate Here** or **Invite Friends** buttons on your page.

**Donate Here** will allow you to ask your network for donations.

**Invite Friends** will allow you to recruit runners through social media.
