This passionate group of developing professionals combines socializing and networking with volunteerism and community impact. Members connect through social events and uplift their community through volunteerism.

Alumni United

BUILDING STRONGER COMMUNITIES WITH YOU!
If families can’t make ends meet, they can’t prepare for the future. At United Way, we work to ensure that every family can meet their basic needs, every child is ready for school and every individual has skills to build a better life. But we can only do it with your help.

Your donation to United Way supports families in your community — your neighbors, co-workers and friends. And your dollars go further with us, because we bring individuals, organizations and corporations together to tackle the root causes of long-standing problems in our region, and to create positive, measurable and permanent change.

Please donate today, and help us change lives!
