

# KEEP READING!

## Steps to Read at Home

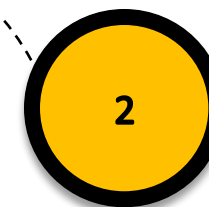

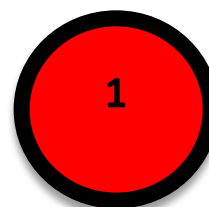

**Reading** If you have a computer, a tablet, or even a cell phone with a connection to the internet, your child can read at home. Reading is a wonderful way to support continued learning. We want to help you and your child use LevelUp successfully.

**Username and Password** To log in, your child will need their Username and Password. This is the same information used to access LevelUp at school. Just go to this website and enter that login info:

**Share the love of Reading** Read to each other, have your child listen to books and follow along with highlighted words, read independently, practice phonics or use earned points to enter LevelUp Land!
